

REGISTRATION QUESTIONS AND ANSWERS

What is the minimum age to register?

The minimum age requirement is that your child must turn 5 in 2018. (4 and 5 year old children play in the U/6 mini roo's) However, when considering if your child is old enough to commence their career, be mindful that some games may start as early as 8:00 am. This can be physically demanding for our youngest players.

Nursery squad excluded, refer to Bosco FC invitation to register for further information

How do I know which age group to register my child/myself in?

The natural age group is the age the child is turning in the current year. For example, if a child is turning 7 this year they play in the U/7 age group; Turning 11, the U/11 age group.

There are a couple of exceptions: a) If a child wants to play with friends who are in the same year at school but their birthday is in a different calendar year, the younger child may request to play up however this is not guaranteed [Refer to Grading Policy]. b) In the women's O/30 competition and the men's O/35 and O/45 competitions the player must be turning 31, 36 and 46 respectively this year. i.e. "O" is for over. A player cannot play in an age group younger than the age they turn this current year.

Where are games played?

Games are played on a home and away basis between clubs affiliated with the Sutherland Shire Football Association (SSFA) and are confined to the Sutherland Shire. You may need to travel in a range extending from Cronulla to the east, Menai to the west, Heathcote to the south and Oyster Bay to the north.

Bosco FC Home games are played across two venues, primarily, Woronora Heights Oval (WHO) and Boystown Oval. MiniRoo's Football home games is played at Woronora Heights Oval on a Saturday, unless otherwise noted.

What day and time will games be played on?

Junior mixed U6-U12, boys U12-U21, girls U12-U16 are played on a Saturday across the Sutherland Shire. Girls U18-U21, Senior Women, All Age Men, O35 & O45 Men, O30 Women play their games on a Sunday. Unless otherwise notified.

How long is the season?

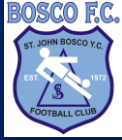

The season proper extends over 18 weeks during the autumn and winter months and does not break for school holidays. A three week final series for competitive grades is then conducted after the season proper. The season starts on 7th /8th April 2018 after the Easter Weekend.

Changed your mind about playing

Should you choose to withdraw; a full refund will be made by cheque provided the graded teams have not been submitted to the SSFA. If this submission has occurred, then it will be only possible to refund the portion of the registration fees that relates to the club component, as the SSFA does not refund its component of the registration fee.

Once the season has commenced unfortunately no refunds will be accepted.

All withdrawals are to be made in writing to the Club Registrars via email to Junior Registrar (U6 – U16) junior.registrar@boscofc.org.au and Senior Registrar (U18+) senior.registrar@boscofc.org.au. This is to ensure the Club has a formal request for withdrawal complete with date stamp. Requests must be made by the player or parent/guardian of the player.

REGISTRATION QUESTIONS AND ANSWERS

How do I transfer to another club once I've registered?

Should you decide to change clubs once you have registered yourself or your child, the process is similar to withdrawing. You will need to send a request to registrar notifying of the request to transfer. If the transfer is made prior to teams being submitted to the SSFA, we will be able to withdraw you from the Bosco FC registration and refund any payments made.

Once the de-registration has been approved by the SSFA you may commence registration with the other club online.

Once the graded teams have been submitted to the SSFA, you will be required to provide a transfer form to the other club from Bosco FC. The registrar will supply this to you once the request has been received via email. Payment will be refunded to you by the Treasurer. If a card has been received for the player, this must be provided to the Registrar of the club the player is transferring to so it may be passed on to the SSFA.

How do I transfer from another club to Bosco FC?

You must request a transfer from the club you have previously registered with for the season and complete the transfer process with the club. If you transfer prior to graded teams being submitted to the SSFA you may register online with Bosco FC once the transfer has been approved by the SSFA. A transfer form will need to be provided to the Bosco FC Registrar after graded teams have been submitted to the SSFA. If a card has been received from the original club for the player, this must be provided with the transfer form to the Bosco FC Registrar and a new card will be issued for the player.

Please note, no player may take the field until a new SSFA issued card has been received for the player (for U11 and up), and until confirmation is received that the transfer is complete for U6-U10 players.

Why does the club conduct grading selection trials?

The Club's experience is that children will enjoy their football more if grading is aligned to their ability. No one wins if a child is under or over graded, so, in order to ensure accurate grading occurs, the Club conducts selection trials.

Refer to the Grading Policy for further information.

Do I need to do anything during the season?

Yes! To keep up to date with all that is going on at Bosco FC we suggest you stay tuned to the website and our Facebook page!

All players and/or parents are required to participate in ground control activities which consist of field set up, monitoring completion of match cards, crowd control, BBQ and occasionally assisting in refereeing games. We expect a reasonable roll up when your team is rostered on to ground control. Failure to have enough help from your team may result in requests for extra duty being allocated to your team.

Can I play football with my friends?

The club has a policy of attempting to meet requests to play with friends for U6 & U7 and will make every effort putting together teams based upon submitted lists of players. However, for U8's to U16, teams will be selected based upon the matching of players' abilities although extenuating circumstances of course will be considered. However, the Club appreciates and supports the fact that some players, especially in their late teens, play primarily for social reasons and wish to form teams on this basis.

REGISTRATION QUESTIONS AND ANSWERS
